ENTERING & EXITING

Please allow extra time to check-in to the venue when arriving for your game. We ask that you are patient with Latrobe Leisure staff as you enter the facility. It is likely that this process will take longer than usual due to current restrictions.

To assist with the smooth operation of all games, we ask that you EXIT the venue within 5 minutes of the completion of your game.

There are designated entry and exit points for each court. You must follow the sign posted directions when moving around the venue.

BIOSAFETY OFFICERS

A Biosafety Officer will be appointed to ensure that the Return to Sport Guidelines are adhered to. They will be easily identifiable in hi-vis clothing.

It is their job to ensure the stadium is safe for participants.

There are strict limits on the number of people at each court and people may be asked to vacate the playing area to ensure compliance with this requirement.

If an area exceeds the total amount of people allowed, the Biosafety Officer has the right to ask you to move. All individuals are expected to comply with the directions of the Biosafety Officer.
